

# 2007 MONA GENERAL ASSEMBLY

**SUBJECT:** [Title of Resolution – Should Succinctly Describe Topic Under Consideration]

**INTRODUCED BY:** [Individual Member and/or Structural Unit Name]

**EXECUTIVE SUMMARY:** [Provide a brief, “at a glance” overview of the topic and/or key points of the resolution which would provide the reader with a sense of content and direction]

## RECOMMENDATIONS

**WHEREAS,** [include key background points related to the resolution that clearly and succinctly provide support for the recommendations contained in the “Therefore Be It Resolved” statements – there is no limitation on the number of “Whereas” statements, but all should directly relate to the recommendations to follow]

**THEREFORE BE IT RESOLVED** that the Missouri Nurses Association will:

1. [List action statements providing policy direction to the Association if the resolution is adopted. Avoid very specific implementation activities that would not be appropriate as an overall policy statement of the Association (e.g. “publish an article in the Spring issue of *The Missouri Nurse*”). Rather, propose broad actions that will clearly delineate the policy and direction of the Association in responding to this topic and guide the Board of Directors and structural units in considering specific implementation strategies that will support the overall action(s)/goal(s) (e.g. “provide information or educational programming to members regarding. . .”).]

## REFERENCES

[List references, utilizing APA format (5th Edition) cited in the body of the resolution. May also wish to list appropriate references to guide the reader in a more in-depth investigation of the topic.]
