UPCOMING **MONA** EVENTS

JANUARY 2018

APRN DAY AT THE CAPITOL

Wednesday, January 24, 2018 @ 9:00 am - 2:00 pm
Missouri State Capitol 201 W Capitol Ave. • Jefferson City, MO 65101

The Missouri Nurses Association sponsored APRN Day at the Capitol is an event focused on legislative issues important to Advanced Practice Registered Nurses. The day will include a legislative briefing, key messaging points, and time to meet with legislators..

FEBRUARY 2018

NURSE ADVOCACY DAY

February 21, 2018 @ 7:30 am - 3:30 pm
Capitol Plaza Hotel 415 W. McCarty St. • Jefferson City, MO 65101

Missouri Nurse Advocacy Day is intended to increase awareness of the political process for all nurses and nursing students. The day long event expands participants' understanding of the legislative process and provides them with effective techniques for advocating for their patients and practice.

The day includes a trip to the Capitol to observe the legislative process in action and visit with legislators.

APRIL 2018

APRN CONFERENCE

April 26, 2018 @ 7:00 am - April 27, 2018 @ 5:00 pm
Holiday Inn Executive Center 2200 I-70 Drive SW • Columbia, MO 65203

MONA's annual Advanced Practice Registered Nurse (APRN) Conference is designed for those advanced practice registered nurses who are recognized as nurse practitioners and clinical nurse specialists.

JUNE 2018

DIRECT CARE NURSES: BEDSIDE AND BEYOND

June 6, 2018 @ 9:00 am - 4:30 pm
Hilton Garden Inn 3300 Vandiver Dr. • Columbia, MO 65202

This activity is designed for registered nurses actively engaged in the delivery of front line healthcare.

JULY 2018

PHARMACOLOGY CONFERENCE

July 19, 2018 @ 8:00 am - July 20, 2018 @ 5:00 pm
TBD

This activity will assist the advanced practice registered nurse in determining the most appropriate agent based on the individual assessment and underlying health problem. All sessions are pharmacotherapeutic sessions that will focus on reviewing the general principles of pharmacology, including indications for use, drug interactions and common side effects of various drug and non-drug therapies. Proper monitoring of the therapeutic and adverse effects of drug therapy will also be discussed as well as appropriate treatment of these reactions.
